

CANI-TABS® WEIGHT SUPPORT+

Palatable tablets

Nutritional Supplement to Promote Healthy Body
Weight and Lean Muscle

Agrovet MARKET

Formulation

Each tablet contains: Phaseolus vulgaris (white bean) extract 500 mg, L-Carnitine 20 mg, Taurine 20 mg, L-Glutamine 100 mg, L-Lysine HCl 20 mg, Biotin 0.002 mg, Thiamine 1.50 mg, Manganese (as Manganese proteinate) 2 mg, Iodine (as ethylenediamine dihydroiodide or Potassium Iodide) 0.5 mg.

Indications

Natural nutritional supplement that supports metabolic function and promotes healthy body weight and lean muscle. As a support and adjuvant for: reduction of overweight and obesity, maintain adequate weight in fit animals, regulating blood lipids: control of serum cholesterol, triglycerides, high-density lipoprotein and low-density lipoprotein, as well as blood urea nitrogen.

Dosage and Administration

Oral daily supplement. Due to its high palatability, it can be administered directly or by disintegrating and mixing it with meals. Always administer with fresh water available. Daily doses: Canines: Up to 4.5 Kg: 12 tablet. From 4.5 to 11 Kg: 1 tablet. From 11 to 22.5 kg: 2 tablets. Over 22.5 kg in weight: 3 tablets. Felines: Up to 4.5 kg: 12 tablet. Over 4.5 kg: 1 tablet. Can be taken on a regular basis for long term support or occasionally as needed.
